This is an Easter marathon with Bible text from Jesus’ last week on Earth. Before you start: put up a price for what you want to do when you finish the marathon (it would be a pizza night, a special movie, or something else you want to do together.) After that choose a Bible to read out of. Then you will start reading the correct text on the correct day. When you have read the text, find the picture that corresponds with the text, cut it out and glue it on the correct day.
