# Prayer is Power!

*"Dear Lord, you are the God of love, mercy and deep compassion. You see every tear drops and you want to turn them into joy and happiness.*

*We unite our prayer for friends who are orphans, vulnerable, underprivileged, and children who are living in street children. We pray for children who have been affected by war and conflicts and have to flee their homes as refugees. We also uplift children who are victims of crimes and abuses of any kind. You know all their needs as to go on with their lives; we humbly ask that you may provide. May you intervene to restore their joy, hope and spirit. May they experience better lives here on earth with your blessings upon each of them.*

*We also pray for those adults who are having hard times taking care of their children. May you give them wisdom and provisions so that they may fulfil their parenting duties fully and raise children with great care. We also like to pray for those who are putting their best effort in saving, providing, and serving children in needs. May your greatest and most wonderful blessings be upon them. We pray with Your faithful and loving name, Amen."*
