

# 2024 Creation Sabbath Coloring Fun! Jesus all the way

15 Years of Celebrating Creation Sabbath 2024

Do you know who created the world? John the Disciple did, he tells us that the Creator's name is "Jesus." It is because He is the Creator that Jesus is God. No one else can be God, because no one else is the Creator. Isn't it amazing that our Creator came to save us? This picture shows many symbols of Jesus and other things the Bible tells us about Him. Color it beautifully because Jesus is our beautiful Creator and Redeemer.
