**Tell The World**

Lyrics & Music by Kimberly Houliston

**Verse 1**
There is a message that needs to be told
It’s all about Jesus and His love for us all
We have a duty to share this good news
But it’s not just for grown-ups
Our children need to know

**Chorus**
When you tell a child *you tell the world*
When you tell a child *you tell the world*
Tell the world of Jesus and His love
When you tell a child *you tell the world*
When you tell a child *you tell the world*
Tell the world of Jesus and His love

**Verse 2**
Our children are watching they see what we do
They hear what we say so let’s tell them the truth
That Jesus He loves them He cares for them all
And He’s coming back soon to take His children home
