Theme Song

TELL A CHILD, TELL THE WORLD

Girls
Tell a child, precious child
God is Love indeed
Tell a child and a friend
Jesus loves her to the end
If she's tried and she cries
The spirit comforts her and lifts her up
Every day!

Chorus
Tell a child, tell the world
What joy, peace and love
That Jesus — is coming; soon soon
Tell a child tell the world
That heaven's waiting for us
And we'll all be there.

Boys
O tell a child blessed child
The spirit watches him
And tell the child loving child
He loves him to the end
When he stumbles and he falls
The Father picks him up and
Takes him home all the way

Repeat Chorus

And we'll all be there.
And we'll all be there (melody)
